A snowman in a hat and scarf

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 1: Draw the tilted brim's upper edge

Whole drawing

This step, closer

Make the long shallow curve that runs across the top of the folded hat brim.

STEP 2: Round the brim on the right

Whole drawing

This step, closer

Curve around the right end of the brim and turn back underneath.

STEP 3: Follow the brim underneath

Whole drawing

This step, closer

Draw the lower brim edge from right to left. Keep a broad band between the two edges.

A snowman in a hat and scarf

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 4: Close the brim on the left

Whole drawing

This step, closer

Round the left end upward to join the top edge.

STEP 5: Add the soft hat crown

Whole drawing

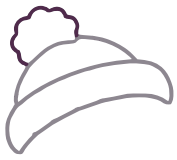

This step, closer

Curve over the top of the hat and bring the left side down to the brim.

STEP 6: Add a fluffy pompom

Whole drawing

This step, closer

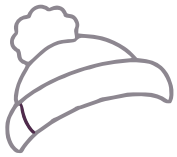

Close a rounded, gently bumpy pompom above the left side of the hat.

A snowman in a hat and scarf

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 7: Add the first rib

Whole drawing

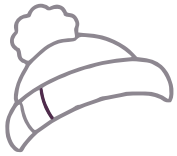

This step, closer

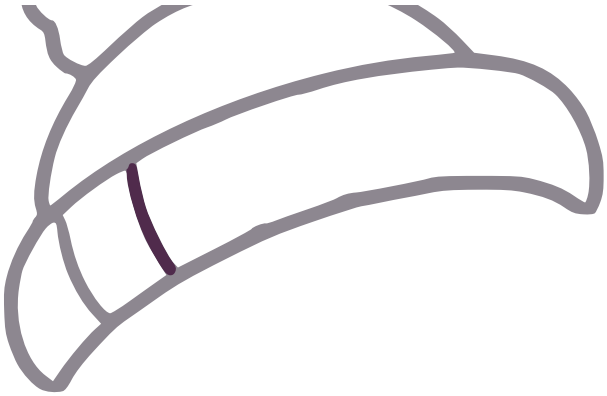

Draw one curved rib line near the left end of the brim.

STEP 8: Add the second rib

Whole drawing

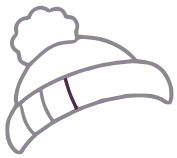

This step, closer

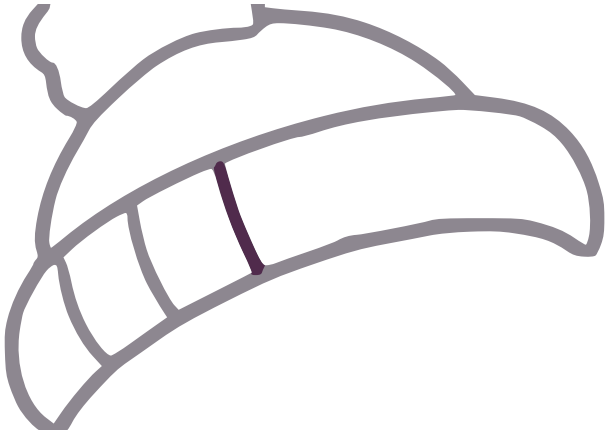

Place the next curved line farther right, following the brim’s tilt.

STEP 9: Add the middle rib

Whole drawing

This step, closer

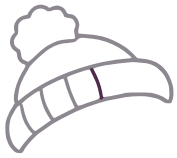

Continue the spaced rib pattern through the middle of the brim.

A snowman in a hat and scarf

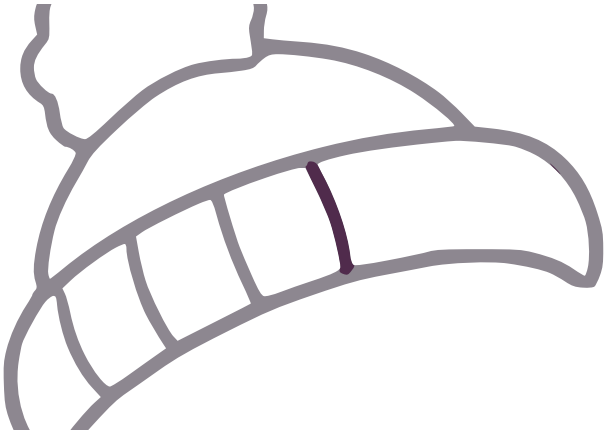

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 10: Add the next rib

Whole drawing

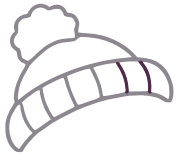

This step, closer

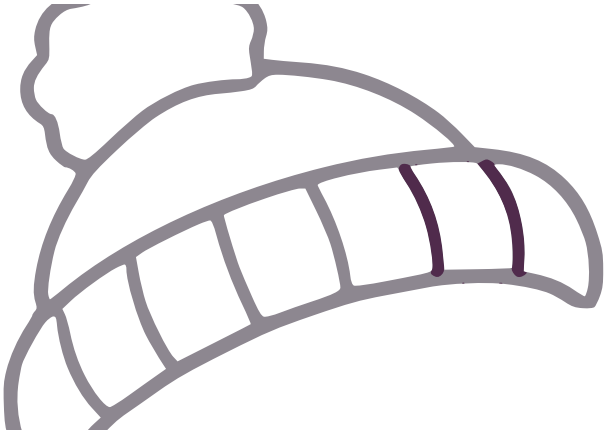

Draw another curved rib, keeping the gaps comfortably wide.

STEP 11: Finish the brim ribs

Whole drawing

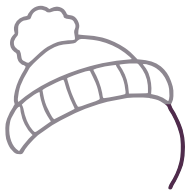

This step, closer

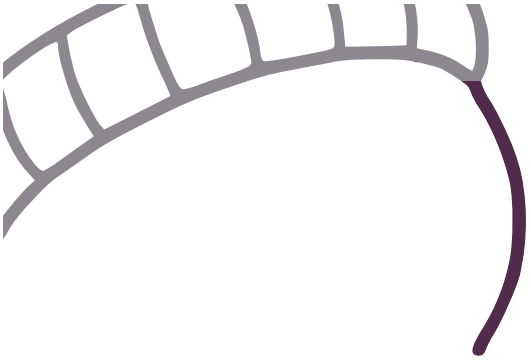

Add the last two curved lines on the right.

STEP 12: Curve down the right cheek

Whole drawing

This step, closer

Start beneath the brim and curve down around the right side of the head.

A snowman in a hat and scarf

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 13: Round the chin

Whole drawing

This step, closer

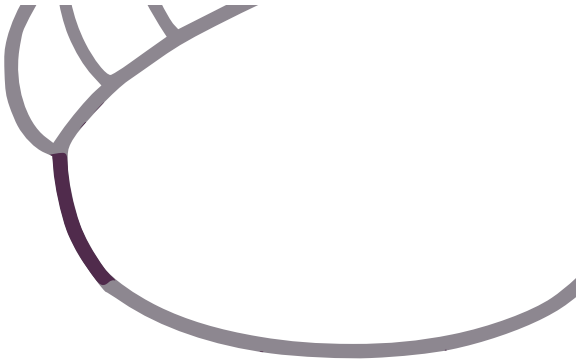

Continue a broad rounded chin across the bottom of the head.

STEP 14: Join the left cheek

Whole drawing

This step, closer

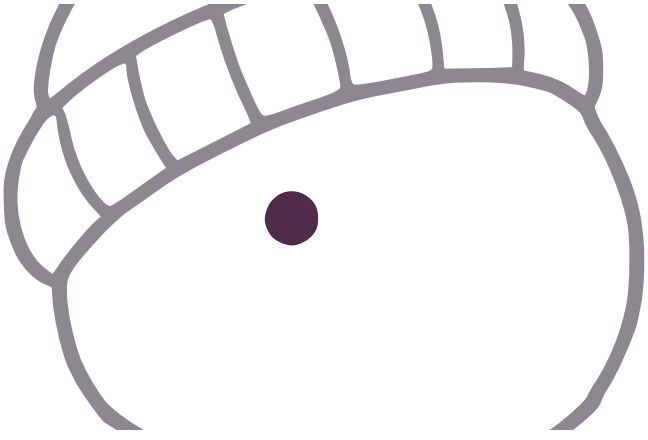

Curve up the left side to meet the hat brim.

STEP 15: Place the left eye

Whole drawing

This step, closer

Draw a small round dot below the brim. Leave a gap between it and the head edge.

A snowman in a hat and scarf

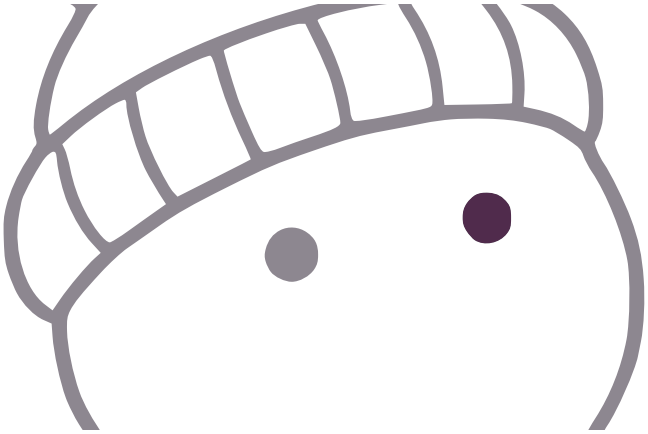

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 16: Place the right eye

Whole drawing

This step, closer

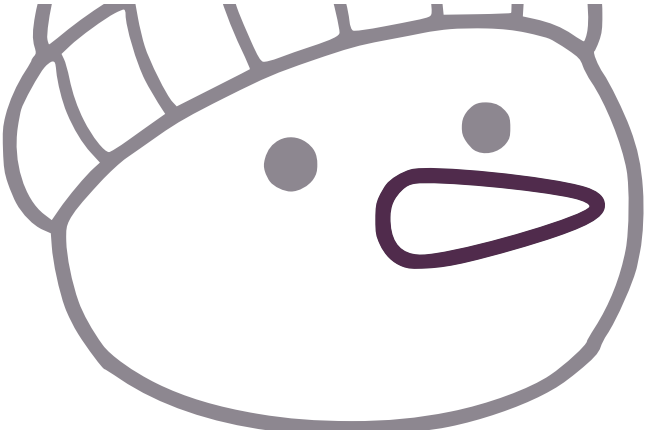

Add the second small dot on the other side. It sits slightly higher with the tilted hat.

STEP 17: Give the snowman a carrot

Whole drawing

This step, closer

Draw a rounded carrot outline pointing to the right, and close it at the root.

STEP 18: Add a curved smile

Whole drawing

This step, closer

Place a broad smile below the carrot, away from the chin.

A snowman in a hat and scarf

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 19: Round the scarf's sides

Whole drawing

This step, closer

Draw the short outer curve on each side immediately below the head.

STEP 20: Join the scarf underneath

Whole drawing

This step, closer

Add its lower edge. The short visible pieces join behind the two hanging ends.

STEP 21: Start the left scarf end

Whole drawing

This step, closer

Draw down the left side of the hanging end and around the left half of its bottom.

A snowman in a hat and scarf

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 22: Close the left scarf end

Whole drawing

This step, closer

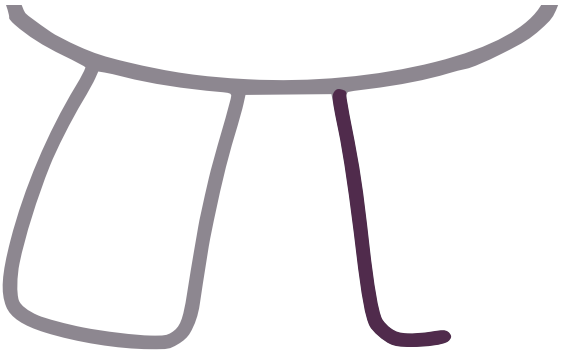

Bring the inner edge up from the rounded bottom to the scarf band.

STEP 23: Start the right scarf end

Whole drawing

This step, closer

Draw the inner edge down from the scarf and curve around its lower left corner.

STEP 24: Close the right scarf end

Whole drawing

This step, closer

Round the bottom and bring the outer edge back up to the scarf.

A snowman in a hat and scarf

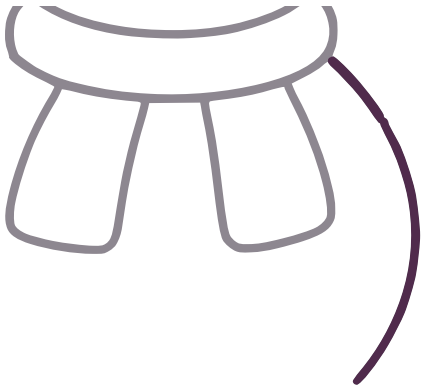

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 25: Curve down the body's right side

Whole drawing

This step, closer

Begin below the scarf and sweep around the right side of the large snowball.

STEP 26: Round the bottom snowball

Whole drawing

This step, closer

Continue the broad bottom curve. The body is wider than the head.

STEP 27: Join the body on the left

Whole drawing

This step, closer

Bring the left side upward to the scarf. Keep the round shape behind the hanging ends.

A snowman in a hat and scarf

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 28: Add the left twig hand

Whole drawing

This step, closer

Draw the forked outer end of the left twig, leaving its stem opening toward the body.

STEP 29: Join the left twig to the body

Whole drawing

This step, closer

Complete the two short stem edges back to the snowball.

STEP 30: Draw the right twig’s upper fork

Whole drawing

This step, closer

Start at the body-side stem and round the upright twig tip.

A snowman in a hat and scarf

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

STEP 31: Finish the right twig hand

Whole drawing

This step, closer

Add the outward fork and join its lower stem edge back to the body.

STEP 32: Draw the upper button

Whole drawing

This step, closer

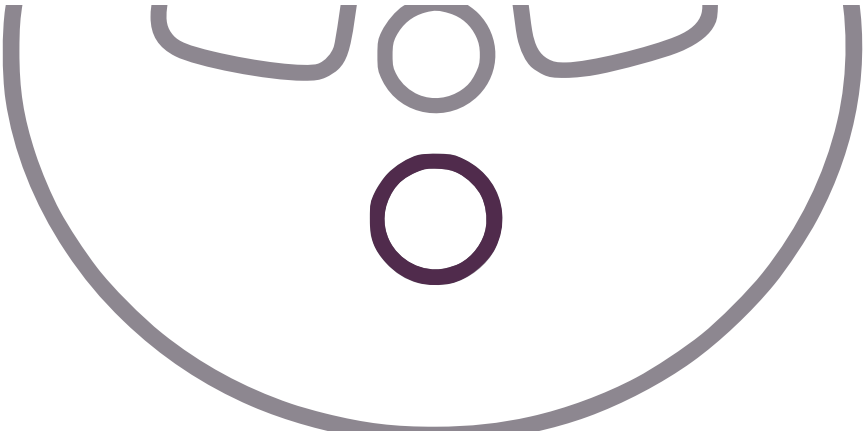

Close a broad empty circle below the scarf ends.

STEP 33: Draw the lower button

Whole drawing

This step, closer

Add another circle underneath it. Keep both inside the body.

COLORING OUTLINE
