# A decorated Christmas tree

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 1: Start the star at its top

Whole drawing

This step, closer

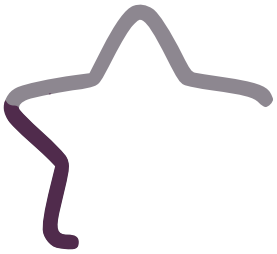

Draw the top point and the two upper shoulders of the star. Leave the lower sides open.

### STEP 2: Bring down the left star side

Whole drawing

This step, closer

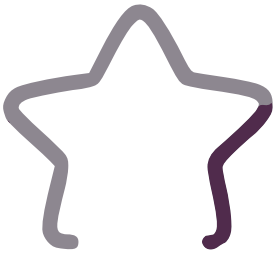

Follow the left arm down to its lower point. Stop before the inward notch.

### STEP 3: Bring down the right star side

Whole drawing

This step, closer

Mirror the broad direction on the right, keeping the star wide enough to see.

# A decorated Christmas tree

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 4: Close the star underneath

Whole drawing

This step, closer

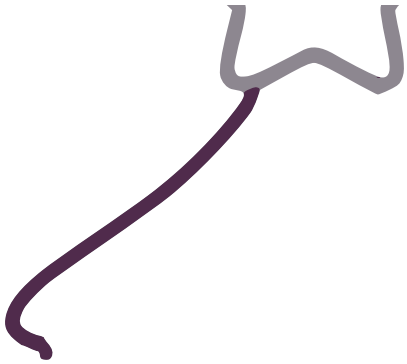

Join the two lower points with a shallow inward V. The star is now a closed shape.

### STEP 5: Sweep down the first left branch

Whole drawing

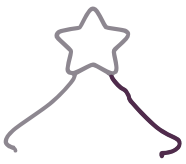

This step, closer

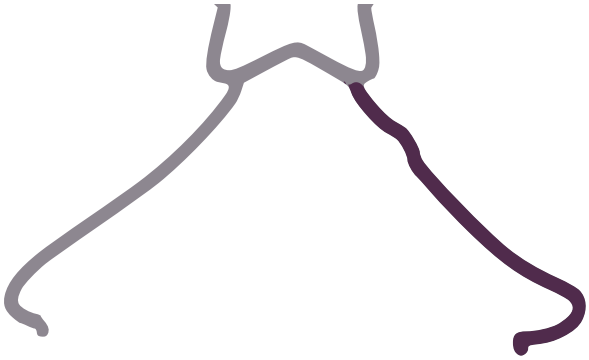

From the star’s lower left, curve outward and down to the first rounded branch tip.

### STEP 6: Sweep down the first right branch

Whole drawing

This step, closer

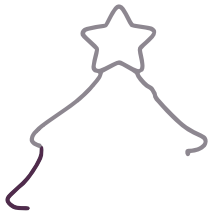

Begin beneath the star’s right side and curve out to the matching branch tip. Turn back slightly underneath.

# A decorated Christmas tree

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 7: Widen the next tier on the left

Whole drawing

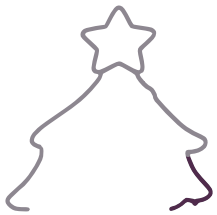

This step, closer

Continue the left edge down and outward to the second rounded tip. Keep this tip farther from the center.

### STEP 8: Widen the next tier on the right

Whole drawing

This step, closer

Continue the right edge to the second tip and turn it gently inward underneath.

### STEP 9: Add the left scallops

Whole drawing

This step, closer

Draw the left half of the second tier’s soft scalloped lower edge.

# A decorated Christmas tree

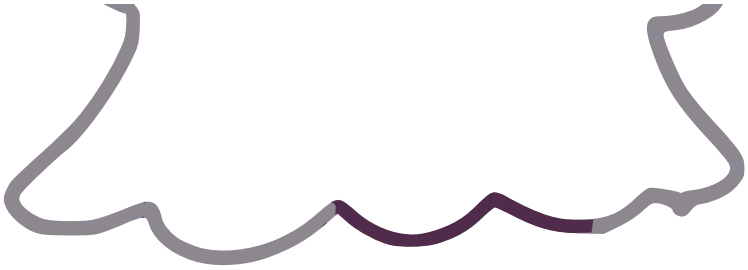

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 10: Finish that scalloped edge

Whole drawing

This step, closer

Continue the scallops across to the right. Use broad curves rather than many tiny bumps.

### STEP 11: Add the third left branch

Whole drawing

This step, closer

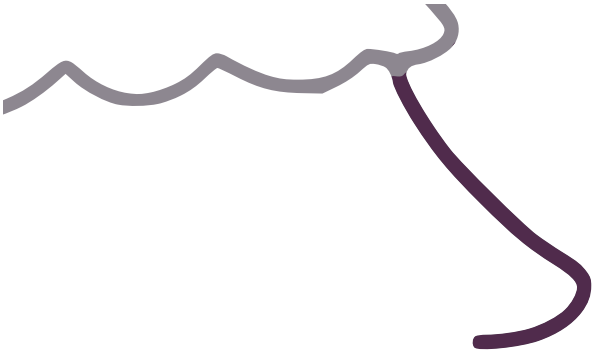

Make another outward sweep on the left, reaching farther than the tier above.

### STEP 12: Add the third right branch

Whole drawing

This step, closer

Curve outward on the right, then turn back at the rounded tip.

# A decorated Christmas tree

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 13: Round the third tier underneath

Whole drawing

This step, closer

Draw the left half of its scalloped lower edge. Leave room below for the broadest tier.

### STEP 14: Join the right-hand scallops

Whole drawing

This step, closer

Complete this tier’s lower edge across the right half.

### STEP 15: Make the broad lower left side

Whole drawing

This step, closer

Sweep out to the lowest left tip, then round the first part of the base.

# A decorated Christmas tree

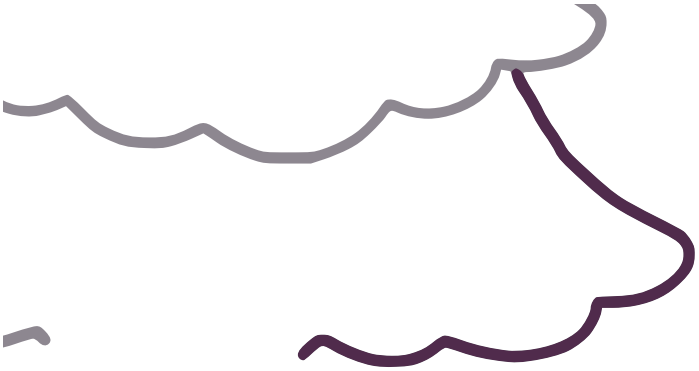

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 16: Make the broad lower right side

Whole drawing

This step, closer

Sweep down to the lowest right tip and follow the base inward.

### STEP 17: Join the base on the left

Whole drawing

This step, closer

Add the small lower curves just left of the trunk position.

### STEP 18: Join the base at the center

Whole drawing

This step, closer

Draw the central scallop above the trunk, joining the remaining foliage edge.

# A decorated Christmas tree

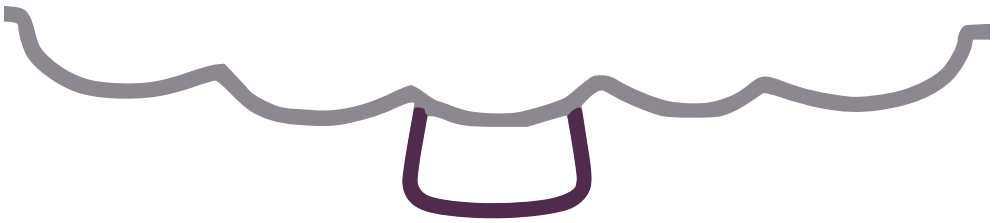

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 19: Add the short trunk

Whole drawing

This step, closer

Drop a short side below the foliage, curve across the bottom and bring the other side up.

### STEP 20: Start the upper garland

Whole drawing

This step, closer

Curve a long line diagonally across the upper foliage, following the direction shown.

### STEP 21: Give the upper garland its width

Whole drawing

This step, closer

Add the second edge below the first. Join the short section at its left end.

# A decorated Christmas tree

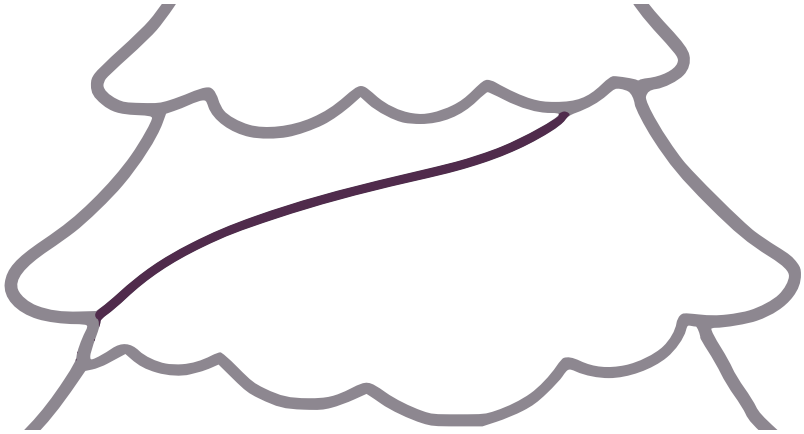

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 22: Start the middle garland

Whole drawing

This step, closer

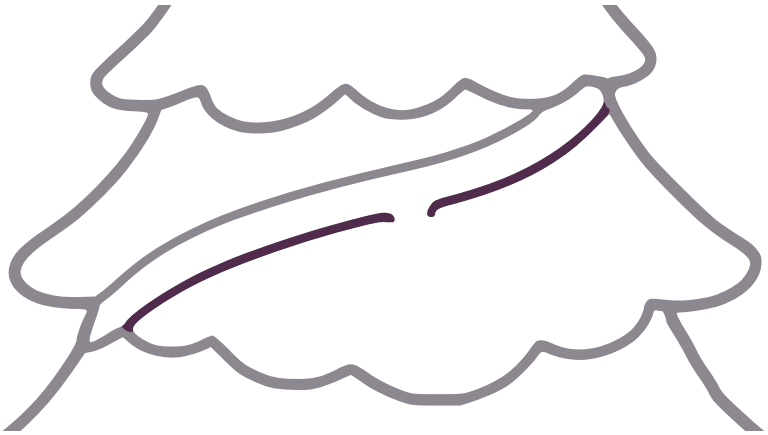

Sweep another gentle diagonal across the middle of the tree.

### STEP 23: Close the middle ribbon

Whole drawing

This step, closer

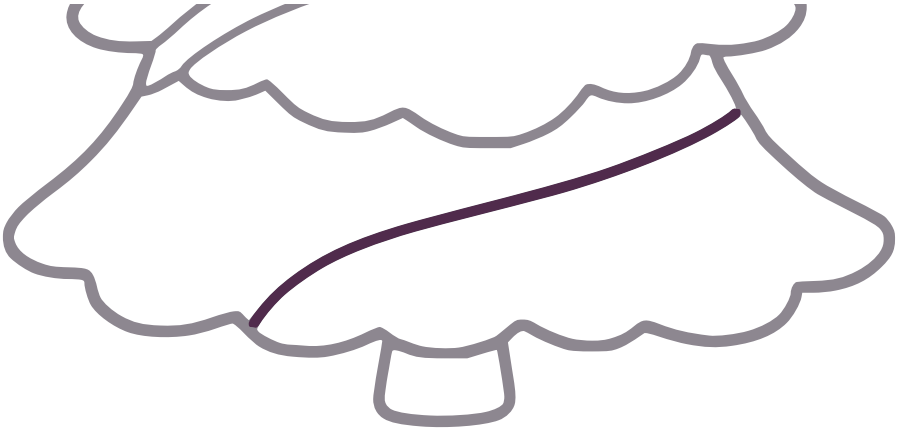

Draw its second edge, leaving the small bauble opening shown in the center.

### STEP 24: Start the lower garland

Whole drawing

This step, closer

Draw a broad diagonal across the lowest tier, leaving plenty of white space around it.

# A decorated Christmas tree

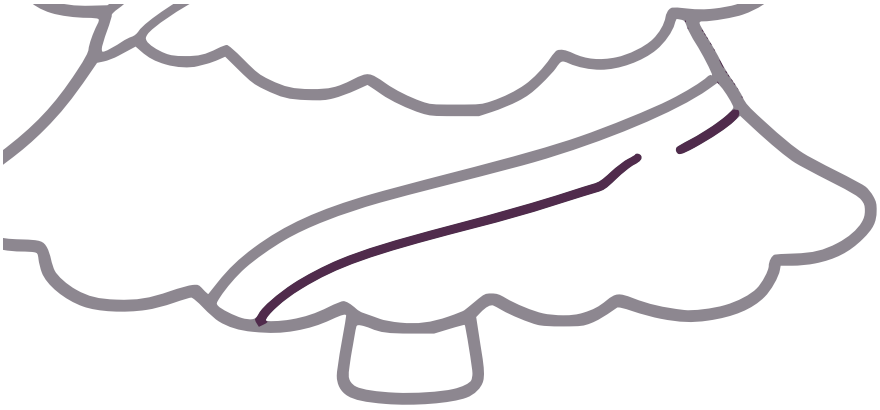

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 25: Finish the lower ribbon

Whole drawing

This step, closer

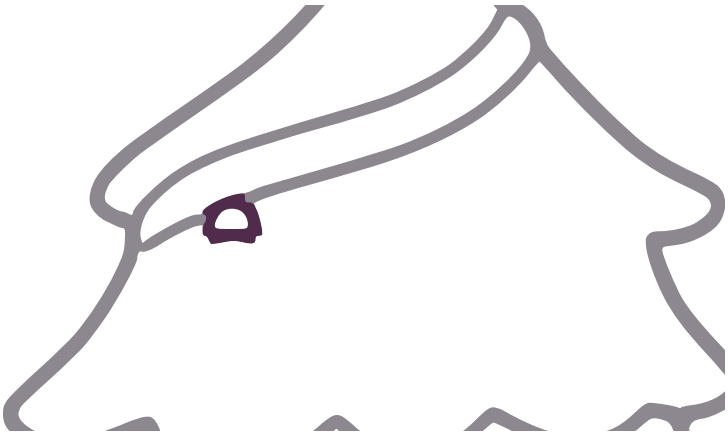

Add its lower edge in the visible sections. It passes behind the right bauble position.

### STEP 26: Place the upper left bauble cap

Whole drawing

This step, closer

Draw the small rounded cap just below the first garland on the left.

### STEP 27: Round the first bauble

Whole drawing

This step, closer

Close a large circle beneath that cap. Keep the center empty for coloring.

# A decorated Christmas tree

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 28: Add the upper right cap

Whole drawing

This step, closer

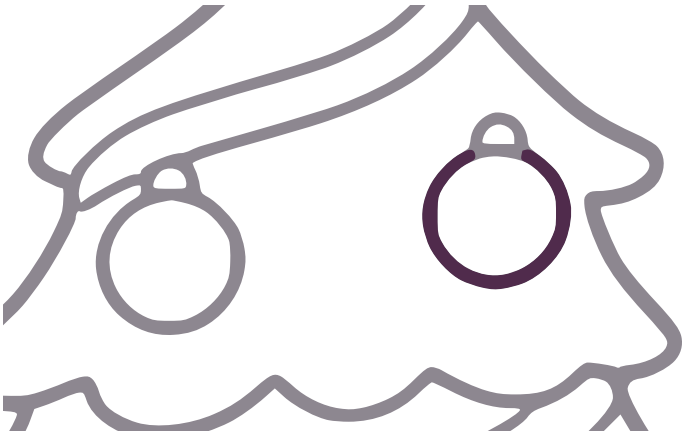

Draw a small inverted U above the right-hand bauble position.

### STEP 29: Round the second bauble

Whole drawing

This step, closer

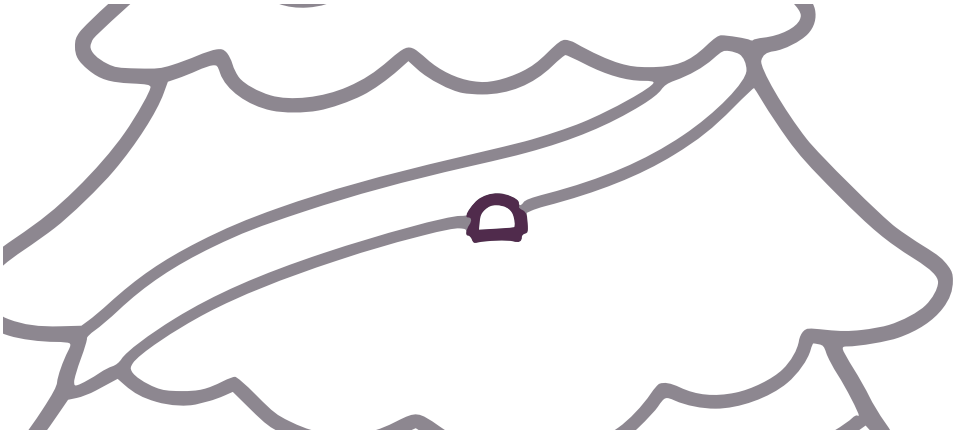

Close the right-hand circle below its cap.

### STEP 30: Add the middle cap

Whole drawing

This step, closer

Draw the small cap at the break in the middle garland.

# A decorated Christmas tree

Dark plum: add these lines. Gray: earlier work. Follow the whole drawing to place each new part.

### STEP 31: Round the middle bauble

Whole drawing

This step, closer

Close a circle under that cap, leaving white space above the scallops.

### STEP 32: Add the lower left bauble

Whole drawing

This step, closer

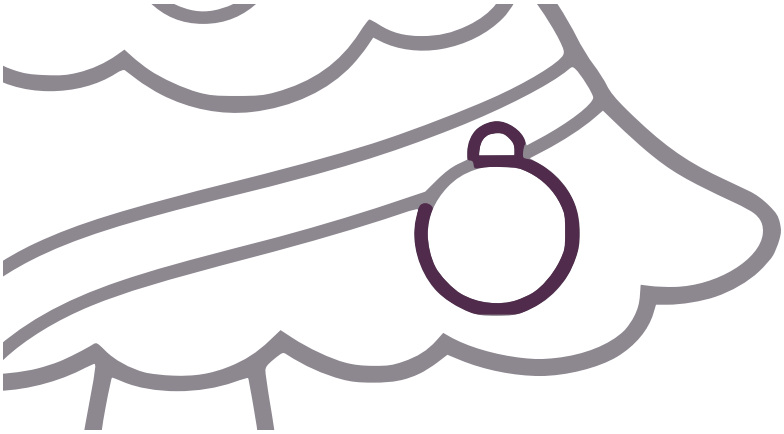

Draw its little cap first, then close the round outline beneath it.

### STEP 33: Add the lower right bauble

Whole drawing

This step, closer

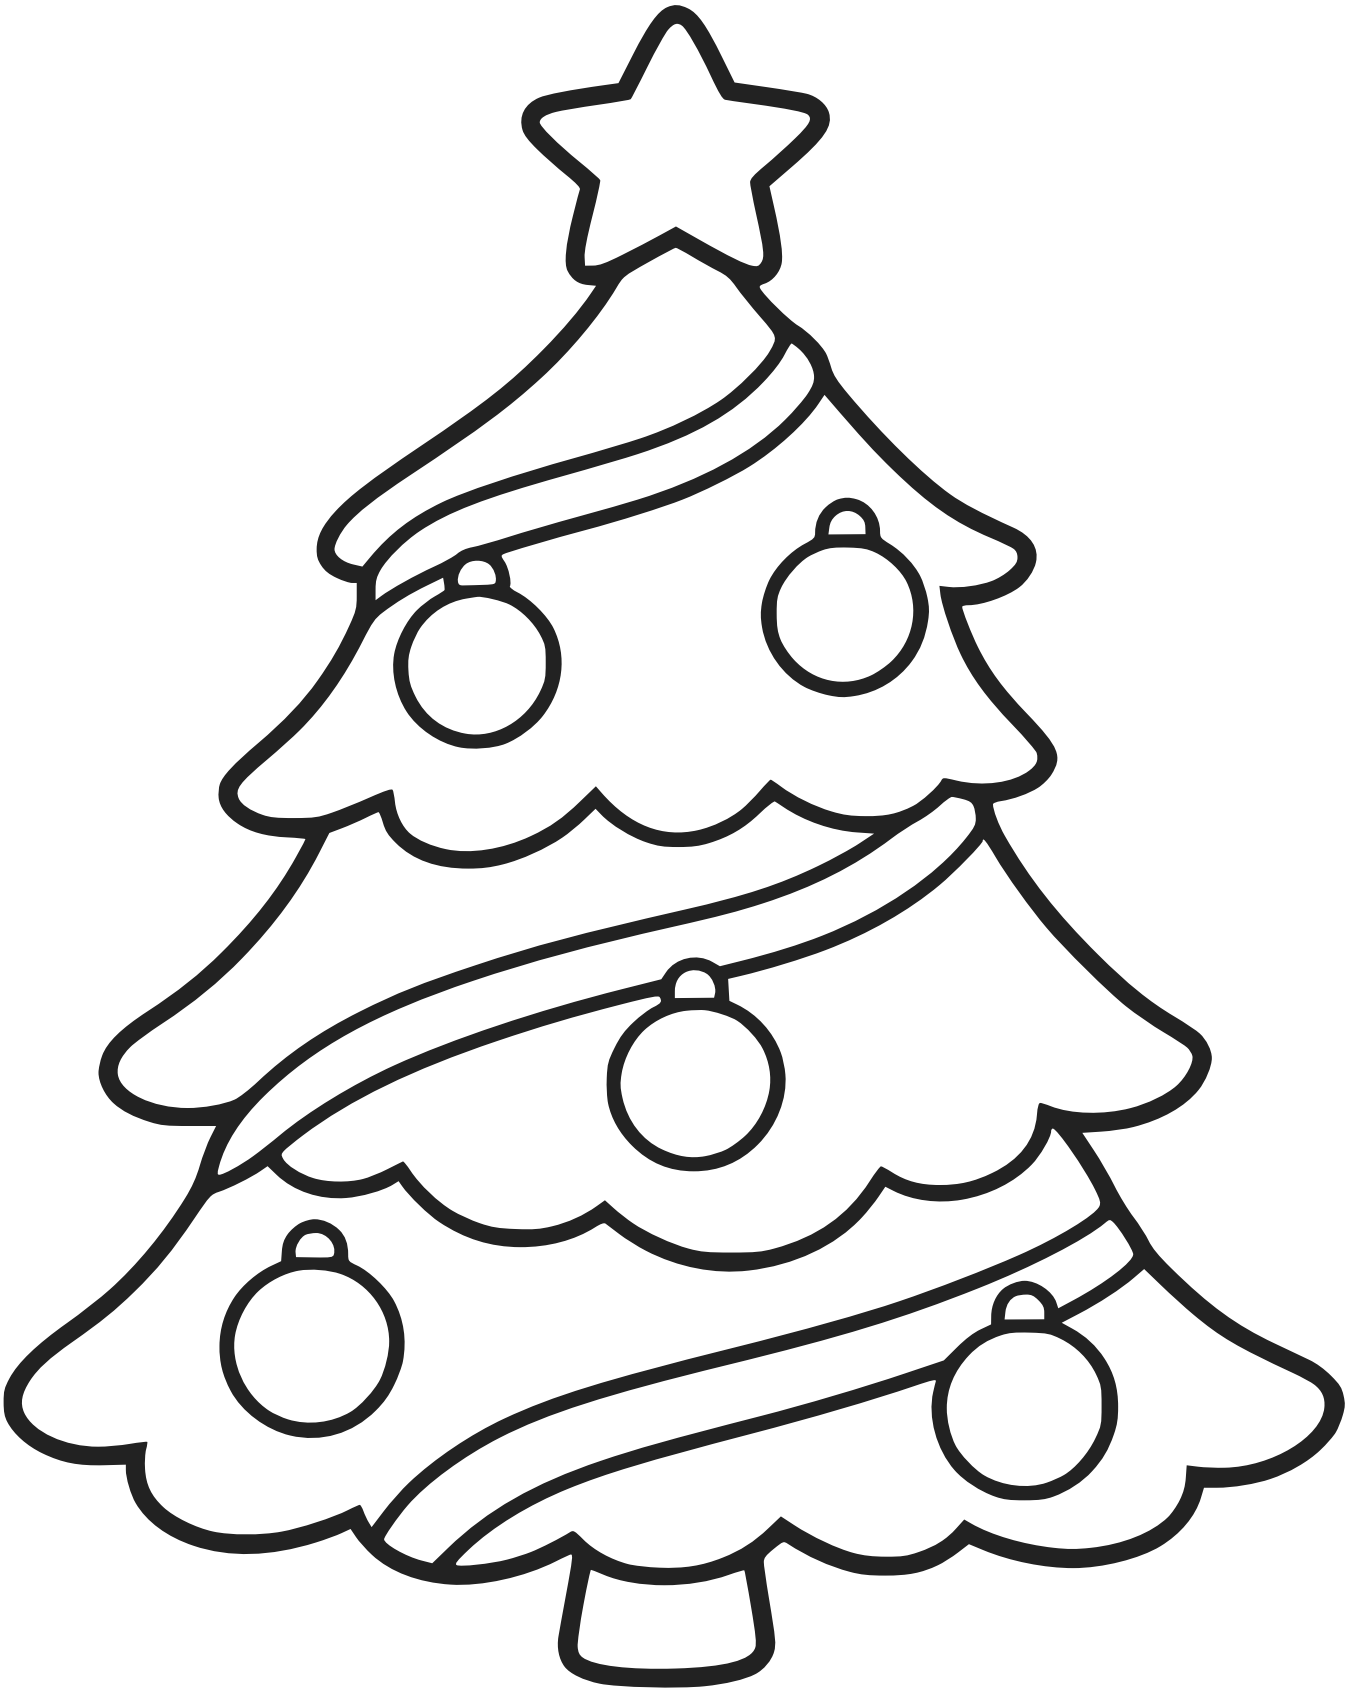

Draw the last small cap and the circle hanging in front of the lower ribbon.
